PREFACE.

IN issuing the seventh number of the GLOUCESTER DIRECTORY the publishers wish to direct the attention of the public to a few of the improvements introduced with this volume :

It will be noticed that in the body of the work are given the names of citizens who have died since the last Directory was published, with date of death ; also, the names of many who have removed from the city, with the place to which they have gone.

A new map of Gloucester and Rockport has been engraved expressly for this publication, from recent surveys and public records.

A Business Directory of Rockport has been added at this time.

The population of each town in the State, according to the new census of 1880 is given (see page 206) ; also the population of Gloucester by wards (see opp. page.)

These and other improvements increase the value of the Directory as a book of reference, and we feel assured that this volume contains a full and fair presentation of the business and other interests of Cape Ann.

The number of names in this volume is 6,340, including 338 deaths and removals.

To patrons and others who have aided us in many ways, we tender sincere thanks.

SAMPSON, DAVENPORT, & CO.

(The first edition was published by us in 1856.)

An Indispensable Book of Reference to every Business Man.

To supply this knowledge fully and accurately, our Agents visit the various Towns and Cities, to carefully collect the

Names, Occupations, and P. O. Addresses of all Merchants, Manufacturers, Professional and other Business Men throughout the entire NEW-ENGLAND States.

The work will be Alphabetically arranged, and so classified that the name of any person can easily be found, whatever may be his occupation, or wherever his location. This volume will also contain a FULL and COMPLETE LIST of the

Banks, Savings Banks, Insurance, Manufacturing, Gas-Light, and other Incorporated Companies, Post-Offices and Postmasters, Newspapers, Colleges, Academies, Expresses, Railroads, Population of each City and Town, etc.,

Together with other Useful Information often required in the COUNTING-ROOM.

— ALSO A —

MAP of NEW-ENGLAND,

With each County separately Colored, and representing a part of all the adjoining States, prepared expressly for this publication, measuring about 16x22 inches, showing plainly all the CITIES, TOWNS, VILLAGES, RAILROADS, STREAMS, LAKES, etc.

THUS IT WILL BE SEEN THAT THE

New-England Business Directory

for 1881 will be such a **Complete Guide** to the BUSINESS INTERESTS of the **SIX STATES**, as to especially adapt itself to the wants and requirements of all Business and Professional men. It will form a large octavo volume of about 1600 pages, handsomely printed on fine paper, and strongly bound.

Notwithstanding the constantly increasing size of the work, the price will remain as heretofore,

SIX DOLLARS.

A work of such magnitude and general utility, and one so much needed by all classes, must command a ready and extensive sale, not only within the limits of NEW-ENGLAND, but throughout the entire COUNTRY. Those who wish an extended account of their business given, will have an opportunity afforded them in the **Advertising Department**, at prices ranging from *Thirteen Dollars* upwards, according to space and location. All who ADVERTISE in this edition will receive **A COPY OF THE WORK FREE OF CHARGE.**

NO MONEY IN ADVANCE

is received. Our Agents never collect payment in advance of publication.
